FOR IMMEDIATE RELEASE

Grandview Medical Dental Clinic Welcomes Dr. Max Jin Zhe Cai to the Team

GRANDVIEW, WA – Dr. Max Jin Zhe Cai has joined the staff at Grandview Medical-Dental Clinic. He is a fourth-generation dentist and wanted to work in a rural area so he could help those with limited access to dental care. He enjoys getting to know his patients and correcting their dental issues in order to relieve any pain they may have. He hopes to raise awareness about the importance of preventive care and reduce the need for his patients to see him for serious problems.

Dr. Cai earned his Doctor of Dental Surgery at New York University College of Dentistry, New York, NY.

Yakima Valley Farm Workers Clinic is one of the Pacific Northwest's largest community health centers, providing medical, dental, behavioral health and social services to more than 197,000 people a year. With more than 50 unique service locations across Oregon (Clatsop, Marion, Multnomah, Umatilla, and Yamhill counties) and Washington (Benton, Franklin, Spokane, Walla Walla, and Yakima counties), we deliver affordable, comprehensive primary care for underserved populations in our communities. We also extend our network of care through our mobile health units and virtual visit technology, bringing essential care to our more remote patients. Yakima Valley Farm Workers Clinic employs over 1,700 staff in addition to our medical and dental residents, administrative fellows, students, and volunteers. All of whom are dedicated to bringing quality care to those in our communities who need it most. Yakima Valley Farm Workers Clinic is a 501(c)(3) nonprofit organization recognized by HRSA, The Joint Commission, and The National Committee for Quality Assurance for our accomplishments in community health care.
