FOR IMMEDIATE RELEASE

## **Coastal Family Health Center Welcomes Dr. Alix Cooper to the Team**

**ASTORIA, OR** – Coastal Family Health Center welcomes Dr. Alix Cooper to the clinic. Dr. Cooper went into the health care field because of her interests in science and people. She believes in considering outside factors and influences when evaluating a patient’s health and developing a treatment plan. Dr. Cooper hopes lower barriers that prevent access to health care and make good health something achievable for everyone in the community. Her clinical interests are adolescent care, preventative health, and gender affirming care.

Dr. Cooper received her Doctor of Medicine, from Oregon Health and Science University, Portland, OR.
