FOR IMMEDIATE RELEASE

Coastal Family Health Center to Break Ground for New Clinic

ASTORIA, OREGON – Coastal Family Health Center will hold a groundbreaking ceremony for its new Astoria clinic Tuesday, July 30, at 1:30 p.m. The event will take place at the location of the new clinic at 2275 Commercial St. in Astoria, Oregon. Join us as we celebrate our growing community care and begin building a new clinic four times the size of our current location.

The new clinic will expand the medical and behavioral health care currently provided. New services will include dental care and an on-site pharmacy with a drive-up window. In addition, the new building will also allow for improved ADA accessibility, as well as better street access and parking.

The \$22 million project was designed, and will be built, by the Neenan Company, and is projected to open in the fall of 2025.
