Flu shots will cost \$15 and can be billed to your health insurance plan.

Flu vaccinations are recommended for adults and children aged six months and up. While there ask about other respiratory illness vaccines.

Yakima Valley Farm Workers Clinic is one of the Pacific Northwest's largest community health centers, providing medical, dental, behavioral health and social services to more than 195,000 people a year. With more than 50 unique service locations across Oregon (Clatsop, Marion, Multnomah, Umatilla, and Yamhill counties) and Washington (Benton, Franklin, Spokane, Walla Walla, and Yakima counties), we deliver affordable, comprehensive primary care for underserved populations in our communities. We also extend our network of care through our mobile health units and virtual visit technology, bringing essential care to our more remote patients. Yakima Valley Farm Workers Clinic employs over 1,800 staff in addition to our medical and dental residents, administrative fellows, students, and volunteers. All of whom are dedicated to bringing quality care to those in our communities who need it most. Yakima Valley Farm Workers Clinic is a 501(c)(3) nonprofit organization recognized by HRSA, The Joint Commission, and The National Committee for Quality Assurance for our accomplishments in community health care.
